Human Ecology Review (ISSN 1074-4827) is a refereed journal published twice a year by the Society for Human Ecology. The Journal publishes peer-reviewed research and theory on the interaction between humans and the environment and other links between culture and nature (Research in Human Ecology), essays and applications relevant to human ecology (Human Ecology Forum), book reviews (Contemporary Human Ecology), and relevant commentary, announcements, and awards (Human Ecology Bulletin).

See manuscript submission information for contributor guidelines. See subscription information to subscribe to HER.

Electronic submissions are welcome. Send manuscripts by email attachment to: HEReview@msu.edu with a copy to LKalof@msu.edu.

You can also see the latest HER flyer for more information (this file is in Adobe PDF format).

Human Ecology Review is indexed or abstracted in Elsevier Biobase/Current Awareness in Biological Sciences, Environment Abstracts, Environmental Knowledgebase, Environmental Periodicals Bibliography (EPB), Linguistic and Language Behavior Abstracts, Social Planning and Policy Abstracts, and Sociological Abstracts.
